

Podium

Portable Podium

Schafer Solutions' interchangeable & portable edge glow Podium provides a strong focal point for audiences in six different colors. Up to three customized engraved message/logos can be added to the front of the podium to promote events and/or sponsors.

The Podium has these features:

- Breathtakingly stunning – made of clear acrylic for an elegant, sleek look
- 3 interchangeable front inserts for customized engraving
- LED lighting at bottom (direct AC and battery powered)
- Easily portable with durable roller
- Interchangeable edge-glow inserts with six different colors available
- Easy clip-on of battery powered microphone and reading light
- Easy to clean and maintain
- Great for conference, board and meeting rooms
- Affordably priced
- Dimensions are 47”h x 16”d x 24”w

When you choose Schafer Solutions' portable podium, you get a versatile, attractive, mobile & customizable podium to handle your presentation requirements.

All Schafer Solutions' products are made with PRIDE
in the U.S.A.

Employee owned Employee powered

Schafer Solutions is a member of the Owner Revolution Inc. (ORI) family of employee-owned companies. Like all ORI companies, our employee owners embrace the corporate-wide culture of **PRIDE: Positive Attitude, Respect for Each Other, Innovative Thinking, Dedication to Success and Enthusiasm for Excellence.**

With an experienced team of plastic solution providers powered by a strong Midwestern location and work - ethic, Schafer Solutions is perfectly positioned to deliver turn-key solutions for your plastic product needs... from idea to delivery.

Environmental consciousness

Schafer Solutions is committed to high standards of social responsibility, especially in terms of environmental stewardship. While assuring that our products meet your performance, functional and life-cycle requirements, Schafer Solutions works to do so with the smallest environmental footprint possible - with minimum waste, active recycling and the use of sustainable materials where environmentally friendly alternatives are economically available.
