All Schafer Solutions' products are made with PRIDE in the U.S.A.

Employee owned Employee powered

Schafer Solutions is a member of the Owner Revolution Inc. (ORI) family of employee-owned companies. Like all ORI companies, our employee owners embrace the corporate-wide culture of **PRIDE: Positive Attitude, Respect for Each Other, Innovative Thinking, Dedication to Success and Enthusiasm for Excellence.**

With an experienced team of plastic solution providers powered by a strong Midwestern location and work - ethic, Schafer Solutions is perfectly positioned to deliver turn-key solutions for your plastic product needs... from idea to delivery.

Environmental consciousness

Schafer Solutions is committed to high standards of social responsibility, especially in terms of environmental stewardship. While assuring that our products meet your performance, functional and life-cycle requirements, Schafer Solutions works to do so with the smallest environmental footprint possible - with minimum waste, active recycling and the use of sustainable materials where environmentally friendly alternatives are economically available.
