

## Durable & Better Uniformity

The Schafer Solutions' Fabricated Plastic Utility Forms are the perfect solution for your maintenance and construction projects.

### Custom Fabricated Plastic Utility Forms For Concrete Work

- Durable black ABS plastic utility forms are superior to wooden forms for concrete work – longer lasting, greater uniformity
- Can be used in a variety of construction projects for easy maintenance access, e.g. embedded boxes for light rail projects and traffic control lights
- Easily customizable to fit any requirement
- CNC machined for greater accuracy, consistency & finish
- Insures absolute uniformity in concrete work

When you choose Schafer Solutions' Plastic Forms for Concrete Work you get customized and affordable options for your next project.
